

To: DSOs and PDSOs at SEVP-certified schools only (for F and M students)

Date: Jan. 21, 2016

Re: SEVP to Host Ask the Experts Webinar on Feb. 9, 2016

Number: 1601-03

General Information

The Student and Exchange Visitor Program (SEVP) will hold the first Ask the Experts webinar on Tuesday, Feb. 9, 2016, from 1 – 2 p.m. EST. During the webinar, SEVP adjudicators will discuss the way forward for principal designated school official (PDSO) and designated school official (DSO) updates, as well as the progress the program has made with decreasing the PDSO and DSO update backlog.

During the webinar, participants will have the opportunity to participate in a live question and answer session with SEVP School Certification Unit adjudicators. SEVP encourages stakeholders to submit questions on the webinar topic ahead of time to SEVPOutreach@ice.dhs.gov. Please note: SEVP can only answer questions on the webinar topic and cannot answer case-specific questions during the webinar.

Remember, webinars in the SEVP Webinar Series are not the same as those in the Student and Exchange Visitor Information System (SEVIS) Webinar Series. These webinars are intended to provide in-depth program news and updates, while SEVIS webinars focus on upcoming SEVIS releases and demonstrating new features.

For additional information on the SEVP Webinar Series, visit the [Stakeholder Webinars](#) page on [Study in the States](#). Additionally, save the date for the upcoming SEVP Ask the Experts Webinar by saving the attached Outlook invitation to your personal calendar.
