

Kentucky State University School of Nursing Substance Abuse Policy Notification and

Disclosure Statement for Students in the Undergraduate and Graduate Nursing Programs

I have read the Substance Abuse Policy and Drug/Alcohol Testing Policy of Kentucky State University School of Nursing and Kentucky State University's Drug-Free Campus and Work Place Policy and, agree to comply with all aspects of these policies.

I understand that if I engage in substance abuse as defined in the policy, or if I violate the Kentucky State University Drug-Free Campus and Work Place Policy while engaged in any clinical experience or any University/School of Nursing sanctioned event, or if I violate any drug/alcohol related state or federal statute and/or fail to notify the Administrative Leader of the School of Nursing within five days of such violation, that I may be dismissed perpetually from the School of Nursing.

I understand that it is a requirement for students accepted into any Kentucky State University School of Nursing program to provide a true and accurate, signed statement indicating whether I do or do not engage in chemical substance abuse or misuse and whether I am involved in any administrative actions or have prior legal convictions pertaining to the abuse/ misuse of alcohol or any other chemical substance. In compliance with this requirement, I hereby verify under penalty of perjury that:

I (am) (am not) (check/circle the appropriate response) over the age of 18 years.

I (am) (am not) (check/circle the appropriate response) using any chemical substance for any reason other than its intended proper use.

I (am) (am not) (check/circle the appropriate response) personally using a chemical substance that is specifically proscribed (forbidden) or prohibited by law or by regulation pursuant to legal authority.

I (am) (am not) (check/circle the appropriate response) personally misusing any legally controlled substances or personally using any normally legal chemical substance (e.g., alcohol) in a manner that produces significant impairment or that produces the likelihood of the development of an impairment.

I (have been) (have not been) (check/circle the appropriate response) convicted of a crime pertaining to the manufacture, use, possession, sale or other distribution of illegal or legally controlled substances or pertaining to or related to the abuse of alcohol or any other chemical substance
