can use to change the world."

The Lower Brule Sioux Tribal Higher Education Grant is available to students who are enrolled members of the Lower Brule Sioux Tribe or can prove that they are one-quarter degree Lower Brule Sioux. Priority funding will be given in the following order: students living on or near the Lower Brule reservation, SD residents, out of state residents. The program is supplemental, and it is mandatory that the student apply for the Pell grant by completing a Free Application for Federal Student Aid (FAFSA), and any other aid that you may be entitled. The maximum amount of the grant is based on the Tribal Priority Allocations (TPA) and could vary from year to year. The current amount is \$3,000 per school year for a full-time student. The student's need is determined by their college or university's financial aid office (FAO), providing the Student Aid Report from the Pell grant is on file. The student must be enrolled as a full-time student, taking a minimum of 12 credit hours, in an accredited college or university, and maintain a 2.00 grade point average (GPA) or higher. GPA is based on the students most recent semester grades, and not by their cumulative academic performance. Any student failing to meet these requirements will be placed on financial aid probation for the following semester. If satisfactory progress is not met by the end of that semester, the student will be placed on suspension from the Lower Brule Sioux Tribe Higher Education Grant funding until an acceptable GPA is established from their most recent semester. Students with a completed file by the required dates (see Grant Requirements) will be given priority. Awards will be based on unmet need, the Student Aid Report, and amount of funds available.

Appeals Process

The applicant has the right to appeal his/her eligibility for the LBST Higher Education Grant if they do not agree with the decision. The appeal process includes the following steps: 1.) An inquiry can be made by calling or emailing the Education Specialist (see email listed above), 2.) A written appeal can be submitted to the Tribal Education Scholarship Committee by sending a written document to the Education Specialist. The Education Specialist will submit the letter to the Tribal Education Scholarship Committee for review, discussion, and their final decision. The Tribal Education Scholarship Committee includes (but is not limited to) those in the following positions: Tribal Education Director, Chief Financial Officer, and Tribal Manager. The Education Specialist will contact the applicant with the Tribal Education Scholarship Committee's decision. 3.) The applicant has the right to appeal the Tribal Education Scholarship Committee's decision by submitting a written request to be included in the Tribal Council's agenda. By submitting a written request to the Education Specialist to be included in the Tribal Council's agenda, the Education Specialist will present the applicant's request.

Administration of Grants

When the student has a completed file and meets all requirements, the Education Specialist submits a payment request voucher to Tribal Finance. The check is made out to the student and the college or university and sent directly to the FAO. The Financial Aid Director applies the award to the student's educational costs and if there is a balance left the Financial Aid Director distributes it to the student according to the college's/university's guidelines.

The same procedure is followed each year, and the student **must apply for the Pell grant and submit a new application by September 1 for the Fall semester, and January 15 for the Spring Semester.**

An **unofficial** transcript will be required by January 15th to verify the student's GPA for the Fall semester. An **official** transcript must be submitted with a new application, which is due by September 1. This is mandatory for all future funding!

Summer School Applicants: May be awarded to those seniors needing **9** credit hours or less to graduate. Students must submit an **Application** and a **Letter of Justification** from an academic advisor, or another staff person directly involved with the student's progress. These materials are due by **May 1**. This is necessary due to limited funding. Summer funding is based on availability.

Graduate Program:

Graduate students will be funded \$2,000 each semester for a maximum of two years.

Application Process:

1. Complete the Higher Education Grant Application
2. Letter of intent from the student stating what the student will be pursuing, what institution, completion date, other funding sources, how you are going to use your degree.
3. Letter of Acceptance
4. Financial Needs Analysis Form
5. Proof of Lower Brule Tribal enrollment
6. Class schedule (**official**) in a master's/specialist/PhD program (full time). *
 - *Full time is defined as nine credit hours. If a student's university considers less than nine credit hours full-time, the student must provide supporting documentation. If approved by the scholarship committee, then funding can be approved.
