The Council may authorize the ballots for these non-resident property owners to be cast by mail only, pursuant to procedures approved by the State

Coordinator of Elections. [As amended by Priv. Acts 1992, ch. 215, § 1; Priv. Acts 2000, ch. 83, § 1; and Priv. Acts 2002, ch. 114, § 1]

The incumbent councilpersons whose terms expire in July of 1999 shall have their terms extended to the third Tuesday in November of 2000. The incumbent councilpersons whose terms expire in July 2001 shall have their terms extended to the third Tuesday in November of 2002. Ties will be resolved by a flip of the coin. Acts 2024, ch. 60, § 3]

Section 6. Be it further enacted, That no informalities in conducting any election held under this charter shall invalidate it if such election is conducted fairly and in substantial conformity with the requirements of this article.

Section 7. Be it further enacted, That any person holding an elective office of the City, whether by election, succession, or appointment to fill a vacancy, shall be subject to removal from office at a recall election in the manner provided herein.

(1) A recall of an incumbent of an elective office shall be initiated upon petition signed by the registered voters of the City of Athens. All councilpersons currently in office or hereafter elected shall be subject to recall and the petition shall contain signatures equal in number to at least twenty percent (20%) of the registered voters for the City of Athens on the date of the city election preceding the filing of the petition. Every recall petition shall name the officer against whom it is directed.

(2) Each elector signing a recall petition shall add to his signature his occupation, his residence, and the date of signing. Signatures on a recall petition may be on separate sheets but each sheet shall have appended to it the affidavit of some person, not necessarily a signer of the petition, that to the best of the affiant's knowledge and belief the persons whose signatures appear on the sheet are registered voters of the city.

(3)¹ A recall petition shall be tendered for filing to the McMinn County Commissioners of Elections. Those persons filing a recall petition shall also file a cash bond with the McMinn County Election Commission, equal to the cost of the proposed recall election. The cash bond or the unused portion thereof shall be refunded to those persons if the recall petition is determined to be invalid, the incumbent resigns before the Election Commission calls the recall election, or before the election is held. If the vote for recall is successful and the named incumbents are removed from office, the cost of the election shall become an obligation of the City and the cash bond shall be refunded. The Election Commission shall examine the petition to see whether it contains a sufficient number of apparently genuine signatures. The board may question the genuineness of any signature or signatures appearing on the recall petition and if it shall find that any such signature or signatures are not genuine, it shall disregard them in determining whether the petition contains a sufficient number of signatures. It shall also disregard any signature dated more than sixty (60) days before the date of the petition was tendered for filing. The board shall eliminate any sheet of the petition which is not accompanied by the required affidavit. The invalidity of any sheet of the petition shall not affect the validity of the petition if a sufficient number of signatures remains after eliminating such an invalid sheet. The board shall complete its examination of the petition within fifteen (15) days and shall thereupon file the petition if valid or reject it if invalid.

(3) As soon as the Commissioners of Elections of McMinn County have accepted a recall petition for filing, the chairman of the board shall notify the incumbent named in the petition that the petition has been filed. Upon receipt of such notice the incumbent may resign from his office and thereupon the recall proceedings shall terminate.

(4) If the incumbent against whom a recall petition is directed does not resign from his office within ten days after notice of the filing of such petition shall have been given to him, the McMinn County Commissioners of Elections shall arrange a recall election. If a regular or special election is to be held not less than thirty days nor more than ninety days after the ten days have expired, the recall question shall be placed before the voters at such an election. Otherwise a special recall election shall be fixed for a date not earlier than thirty days nor later than ninety days after the ten days have expired. The incumbent against whom a recall petition is directed may resign at any time prior to the recall election and thereupon the election shall not be held.

¹Priv. Acts 1953, chapter 455 provided for two subsections (3) of Article IV, section 7. When Priv. Acts 1998, chapter 164 amended subsection (3) of Article IV, section 7, in the judgment of the compiler, it was in reference to this subsection.

(5) The following question shall be presented to each elector in a recall election:--"Shall (name of officer) be recalled and removed from the office of (name of office)?" The above question shall appear as to every officer whose recall is to be voted upon and provision shall be made for the elector to vote "Yes" or "No" in the question.

(6) If a majority of the registered voters who vote on the question at a recall election shall vote "Yes," the incumbent shall be deemed recalled and removed from office, but if a majority of the registered voters shall vote "No," he shall remain in office.

(7) No person who has been removed from an elective office by a recall election or who has resigned from such an office after a recall petition directed to him has been filed, shall be eligible for election or appointment to any office of the city within two years after his removal or resignation.

(8) No recall petition shall be filed against any incumbent of an elective office within the first year or the last six months of the term of his office or within six months after an unsuccessful recall election against him but an officer who has been re-elected for a successive term shall be subject to recall also during the first year of such term. [As amended by Priv. Acts 1959, ch. 105; Priv. Acts 1998, ch. 164, § 2; and Priv. Acts 2024, ch. 60, § 1]

(g) Such other information as is required by the City Council or that the City Manager may deem advisable to submit.

The recommendations of the City Manager as to the amounts to be appropriated with reasons therefor, in such detail as the City Council may direct, shall be submitted. Such estimates shall be on file in the office of the City Manager for inspection by the public.

Upon receipt of such estimates, the City Council shall prepare a tentative appropriations ordinance covering revenue and appropriations which shall also be published in a newspaper of the city not less than one week before it is taken up for final consideration by the City Council, and, before acting upon such tentative budget ordinance, the City Council shall consider same at the next meeting and all voters and taxpayers may appear at said meeting and be heard in person or by attorney. The budget ordinance for each fiscal year shall be finally adopted before the first day of the fiscal year. [As amended by Priv. Acts 2004, ch. 92, § 6]

Section 2. Be it further enacted, that at the end of each year, all unencumbered balances or appropriations in the treasury shall revert to the ending fund balance in each corresponding fund and be subject to further appropriations unless specifically carried forward to the following year. [As replaced by Priv. Acts 2004, ch. 92, § 7]

Section 3. Be it further enacted, That in the event the budget for the preceding year should have been exceeded, contrary to the provisions of the charter, an appropriation for the resulting deficit shall be made in the appropriations ordinance for the year following that in which the deficit was created, and any such deficit so occurring shall be paid out of any and all revenues during that current fiscal year.

Section 4. Be it further enacted, That the City Manager shall be responsible for limiting expenditures and obligations to the amounts of appropriations for all departments and shall establish and maintain a system of allotments and require the installation and maintenance of such system of accounts and records and prescribe such purchasing procedure as may be necessary to that end. He shall present a monthly budget statement to the City Council, comparing amounts of receipts and of expense allotted to the elapsed

portion of the fiscal year with the receipts actually realized and the expense actually incurred, and in general disclosing the condition of the budget. If it appears that the revenue will not be sufficient to cover the appropriations authorized for the year, or if for other reasons it appears to be necessary to reduce or adjust the appropriations, he shall make recommendations to the City Council for such reductions or adjustments as may be required to maintain a balanced budget. The City Manager and the City Council shall do all other things not in conflict with this charter which may be necessary to maintain a balanced budget for the city government.

ARTICLE XX

Department of Education

Section 1. Be it further enacted, That the City of Athens is hereby created a separate school district, and there is hereby created a Board of Education of and for the City of Athens, which shall consist of six members, which board shall be a body corporate and may sue and be sued, contract and be contracted with, in its own name. The general school laws of the State in regard to common schools shall apply to the City of Athens so far as the same are not modified herein, and the said district shall be entitled to all sums of money from the public school fund that it would be entitled to receive if the district were organized under the general laws of the State.

Section 2. Be it further enacted, That except as herein otherwise provided, said Board of Education shall have full and exclusive power and authority as trustees or directors, to manage, control and regulate the public or city schools; to maintain and adequately insure all school property; to elect or employ competent and qualified teachers and a Superintendent of Schools; and prescribe all needful rules and regulations for the government, control and operation of said schools and the teachers and superintendent thereof. Said Board of Education shall also adopt and prescribe all necessary rules and regulations for its own conduct, and the dispatch of its business.

Section 3. Be it further enacted, That the qualifications of the members of the Board of Education shall be the same as the qualifications of City Councilpersons as provided in Article V of this Act, and no person shall be eligible as a member of the Board of Education who is a candidate for or a member of the City Council of the City of Athens. The members of said Board shall be elected at the same time and in the same manner as members of the City Council.

Section 4. Be it further enacted, That there are hereby named as members of said Board of Education as follows:

Colmar Allen and Clyde Burns to serve until the first Monday in July, 1953;

Mrs. Henry Boyd and Rufus Houser to serve until the first Monday in July, 1955;

Emory Hamby and Reed Shell to serve until the first Monday in July, 1957.

Section 5. Be it further enacted, That at the regular election for the City Council for the City of Athens on the first Tuesday following the first Monday in November of each even-numbered year three (3) members of the Board of

Education shall be elected for terms of four (4) years and until their successors are elected and qualified. The incumbent Board of Education members whose terms expire in July of 1999 shall have their terms extended to the third Tuesday in November of 2000. The incumbent Board of Education members whose terms expire in July of 2001 shall have their terms extended to the third Tuesday in November 2002. The newly elected Board of Education members shall be sworn in and assume their official duties at the first Board of Education meeting following the official certification of the election. [As replaced by Priv. Acts 1997, ch. 25, § 1; and Priv. Acts 1998, ch. 164, § 4; and amended by Priv. Acts 2001, ch. 16, § 1]

Section 6. Be it further enacted, That the Board of Education, in the event of a vacancy shall occur in the membership of said board, caused by death, resignation, removal from the city, or otherwise, shall have the power to provide an incumbent for said office until the next regular city election coming thereafter, at which time, the qualified voters of the City of Athens shall fill said office for the unexpired term.

Section 7. Be it further enacted, That said Board of Education shall, at its first meeting after the official certification of each general city election elect from its number for a one-year term, a Chairperson, a Vice-Chairperson, a Secretary, and a Treasurer. Upon the expiration of these one-year terms, the Board of Education shall elect from its number a Chairperson, a Vice-Chairperson, a Secretary, and a Treasurer to serve for a one-year term or until the official certification of a General City Election at which time these offices shall be elected again for a one-year term; provided, however, that the board in its discretion, may combine the latter two (2) officers and may appoint the Superintendent of Schools as its Secretary or Treasurer, either or both. Said Board of Education shall keep minutes of all its proceedings in a well bound book, signed by the Chairperson and attested by the Secretary--said book to constitute a permanent and public record. The Treasurer shall receive and hold all school money for the City of Athens, from whatever source (until disbursed on checks signed by himself and countersigned by the Chairperson); provided, that the Treasurer of said board shall, before entering upon the duties of his office, file a bond with the head of the Department of Finance of the City of Athens, in the minimum sum of five thousand dollars (\$5,000.00), or such other and additional amount as the board may require, endorsed by a responsible indemnity corporation, costs for which shall be paid by check issued by said board conditioned upon the faithful discharge of his duties, which bond shall be approved by the Board of Education.

Checks shall be issued only when adequate funds are available for the purpose and where the particular expenditure is authorized by the school budget hereinafter referred to. (Said Treasurer shall submit a periodic financial

statement to the City Council.) [As amended by Priv. Acts 2007, ch. 3, § 2, and replaced by Priv. Acts 2019, ch 7, § 2]

Section 8. Be it further enacted, That the county trustee, the county court clerk of McMinn County, or any other tax collector shall pay over to the Treasurer of the Board of Education of the City of Athens out of all moneys collected by them for school purposes from any sources such portion as by law is applicable to the schools of the City of Athens.

Section 9. Be it further enacted, That salaries of superintendent, principals, teachers and others employed by the schools shall be fixed by the board before their election, and said salary schedule shall be written into the minutes of said Board of Education.

Section 10. Be it further enacted, That the Board of Education shall keep within and shall not at any time exceed the budget provided and authorized by the City Council of the city, with respect to the expense of operating the city school system. The Board of Education shall each year prepare and submit to the City Manager a proposed budget for the ensuing year. Said budget shall be prepared on forms as prescribed in Article XVII, and contain information consistent with that requirement by the State Department of Education, including a detailed estimate of incoming revenue and proposed expenditures. Whenever the funds required for the operation of schools shall exceed the estimated revenues from all other sources, such as State and Federal aid, then the City Council shall provide such funds by the tax levy; provided, however, that if the funds required by said budget from the city shall, in the judgment of the City Council, require a sum greater than can reasonably be furnished by the city, then said Council shall notify the Board of Education. Thereafter, and as soon as practicable, the Board of Education and the City Council shall confer together and, if possible, arrive at a figure to the mutual satisfaction of both. If no such satisfactory figure can be agreed upon, then the Council shall immediately call a referendum. Said referendum shall propose the question of whether the city shall provide the funds required by the proposed budget of the Board of Education or whether the city shall provide such amount as in its judgment can be practically and reasonably provided, such amount to be indicated on the ballot and the voters given a choice between the two amounts. If a majority of the qualified voters of the city voting on said question shall vote for the figure proposed by the Board of Education, then said figure shall be provided by the Council through tax levy; if such majority shall vote for the figures set by the Council, then this latter amount shall be furnished by the city and the Board of Education shall accordingly revise its budget.

Section 11. Be it further enacted, that whenever the Board of Education shall deem advisable the construction of new school buildings, the renovation of

existing buildings, or the purchase of real estate for school purposes, it shall present to the City Council the plans for said buildings and/or a description of said real estate, together with the estimated cost of the same. The City Council shall provide the necessary funds by the issuance of bonds as authorized in this Act or any subsequent enabling Act, or from other available funds; if in the judgment of said Council the necessary funds cannot be reasonably provided, then it shall, by ordinance, provide for submitting the question of whether such funds shall be raised by any authorized issuance of bonds or by other means, to the qualified voters of the city, and if a majority of said voters voting at said election shall vote for providing such sum, then the same shall be provided in the manner and on the conditions named and prescribed in the proposition voted upon. Provided, further, that in the event of construction of school buildings, it shall be the duty and responsibility of the Board of Education to secure plans and specifications and the duty of the Board of Education to let contracts for construction and supervise and carry out the same. [As amended by Priv. Acts 2004, ch. 92, § 9]

Section 12. Be it further enacted, That the Board of Education of the City of Athens, through its Chairman and Secretary-Treasurer, is authorized and empowered to borrow money to operate and maintain schools in said city and to issue interest bearing notes at the lowest interest rates available as an evidence of such moneys so borrowed, in anticipation of the collection of current school funds. [As amended by Priv. Acts 1977, ch. 60, § 3]

Section 13. Be it further enacted, That no purchase or contract involving over the state-adopted maximum as provided in Tennessee Code Annotated, Title 6, Chapter 56, Part 3 shall be made or entered into by the Board of Education or its duly authorized representatives without first having received competitive bids, but no purchase shall be made at any one time in an amount which in the aggregate will exceed the state-adopted maximum as provided in Tennessee Code Annotated, Title 6, Chapter 56, Part 3, unless bids have been requested and award made on bid most advantageous to the city. When the lowest bid is not awarded, the reason for such action shall be given in writing in the minutes of said board. [As amended by Priv. Acts 1986, ch. 121, § 2; Priv. Acts 1992, ch. 215, § 12; Priv. Acts 2002, ch. 114, § 2, and Priv. Acts 2019, ch. 7, § 3]

Section 14. Be it further enacted, That prior to the end of each fiscal year the Board of Education shall designate a certified public accountant who, as of the end of the fiscal year, shall make an independent audit of accounts and other evidences of financial transactions of the City Board of Education and shall submit their report to the Board of Education and to the City Council. Said report shall be entered and become a permanent part of the minutes of a regular meeting of the Board of Education and of the City Council. This audit may be

conducted on an annual, a quarterly, or continuous basis. Such certified public accountant shall have no personal interest, direct or indirect, in the fiscal affairs of the Board of Education or any of its officers.

Section 15. Be it further enacted, That this Act shall in no wise relieve the governing body of said city of the responsibility of furnishing suitable school buildings, equipment and supplies for the operation of the schools.

ARTICLE XXI

Utilities Board

Section 1. Be it further enacted, That except as otherwise provided in this Act and in general law, the purchase, production and distribution of electricity, gas and water by the City of Athens, both within and without the limits of the city, and the agencies and facilities used for such purposes, shall be under the jurisdiction, control and management of a board to be known as the "Athens Utilities Board," to be constituted as hereinafter set forth. The collection, interceptor, and treatment systems for wastewater and any other facilities, equipment and appurtenances necessary or appropriate for the treating or disposal of sewerage shall be under the jurisdiction, control and management of the Athens Utilities Board. [As amended by Priv. Acts 1990, ch. 213, § 10]

In case the nominee is disapproved by a majority vote of the City Council, a new nomination shall be made in accordance with the procedure provided herein for nominations.

The chairman shall receive a salary for his services of two hundred fifty dollars (\$250) per month; and the other commissioners shall receive a salary for their services of two hundred dollars (\$200) per month; and further that the salaries may be adjusted annually at the same percentage rate as received by the full-time employees of the Athens Utilities Board. Section 5. DIVISIONS WITHIN SYSTEM: Be it further enacted, That the system shall be divided into a Division of Water, a Division of Power, a Division of Gas, and a Division of Accounts. In lieu of a separate Division of Sewers, the board may combine the sewerage system into the Division of Water; provided, however, that the Division of Accounts shall maintain the financial affairs of the water and sewers systems separately unless otherwise directed by the board. The Division of Water shall control the operation and management of the water properties of the system, except insofar as the financial affairs thereof shall be under the Division of Accounts. The Division of Power shall control the operation and management of the electric properties of the system, except insofar as the financial affairs thereof shall be under the Division of Accounts. The Division of Gas shall control the operation and management of

The detailed division of duties between these respective divisions, the sub-divisions of divisions, and the creation of other staff positions and subordinate offices, shall be subject to the rules and regulations prescribed by the board. [As amended by Priv. Acts 1977, ch. 60, § 1, and Priv. Acts 1990, ch. 213, § 12]

Section 6. The board shall also elect a Secretary who shall be either a Commissioner or a full time employee of the system. The Secretary shall keep the minutes of the meetings of the board and shall perform such other duties as the board may prescribe. Commissioners who are elected to the office provided for in this paragraph shall receive no additional salaries for their services. However, the board may provide for the payment of a reasonable salary to the Secretary if the Secretary is not a Commissioner.

An annual election of officers shall be held at the regularly scheduled meeting of the board held in the first month of the fiscal year. If the Secretary is not a Commissioner, he shall hold office at the will of the board. The board shall have the right to adopt by-laws, not inconsistent with the provisions of this Act. These by-laws may provide the time, place and manner of holding both regular and special meetings of the Board. All such meetings shall be public and no action shall be taken by the board except by the affirmative vote of at least three Commissioners. Three Commissioners shall constitute a quorum of the board, but a smaller number may adjourn from day to day. The General Manager and the Division Superintendents hereinafter provided for, shall attend all meetings of the board, and shall have a seat and voice but no vote in such meetings. Except as otherwise expressly provided herein, action by the board may be by motion or by resolution passed on a single reading and may be made effective immediately upon passage. [As amended by Priv. Acts 2005, ch. 23, § 2]

Section 7. POWERS OF BOARD: Be it further enacted, That

(a) Independent Control -- Except as expressly provided in this section, the board shall have and exercise and is hereby granted all the powers and duties possessed by the City of Athens to construct, acquire, expand or operate the system. The board, either by itself or by its duly authorized officers and employees, shall have and maintain full control and complete jurisdiction over the management and operation of the system and may make all contracts and do any and all acts and things that are necessary, convenient or desirable in

order to operate, maintain, enlarge, extend, preserve and promote an orderly, economic and businesslike administration of the system. Except as expressly provided in this section, the system shall be free from the jurisdiction, direction or control of other city officers and employees and of the City Council.

(b) Surety Bonds -- The board shall require corporate surety bonds from such of the system's officers and employees and in such amounts as the board shall deem necessary. Premiums for such bonds shall be paid out of the funds of the system.

(c) Fix Rates -- The board shall fix rates to be charged for services rendered by the system. Such rates shall be fair, reasonable and uniform for all customers in the same class, but different rate schedules may be applied to different classes of customers, as determined by the board. Rates within the city may be less but not greater than rates for the same class of service outside the city. The rates for the electric service shall be fixed in conformity with the resale rates that the city is required to charge by the city's contractual obligations with the Tennessee Valley Authority.

(d) Contract, Leases and Agreements -- The board may, in the operation of the system, either by itself or by its duly authorized officers and employees, execute deeds and enter into leases, contracts, and agreements, provided the term of such leases, contracts and agreements shall be limited to not more than twenty years from the date of performance thereunder is to begin, and not more than twenty-two years from the date of the execution thereof. All contracts whereby the system agrees to supply electric service or gas service, or water service, or two or more of the foregoing services, for a longer period than one year from the time of the execution of such contracts, shall be subject to the condition that the rates at which such service is to be provided after the expiration of one year from the date of the contract, shall conform to the rates being charged other customers for similar service. The time limit prescribed in this paragraph for the duration of contracts and agreements shall not apply to bond issues. The authority given the board by this section shall not be construed to give the board authority to sell or lease all or a major portion of any division of the system, unless such transaction is approved by the City Council by an ordinance, which ordinance, shall not be passed as an emergency ordinance.

(e) Advances to System for Extensions -- The board is authorized to allow any person, firm or public or private corporation to pay all or part of the cost of making an extension or extensions of the system to reach customers under an agreement whereby such extension or extensions shall, when made, become the property of the city as a part of the system and the board may further agree that the city shall pay a proportionate part of the net or gross receipts accruing to the system from such extension or extensions to the entity advancing the cost thereof, with or without interest on the amount of such advance; provided, however, the board can incur no such obligation for a longer period than fifteen years from the time of the completion of such extension or

extensions. Advances or loans made to the system under this paragraph shall not be subject to limitations or restrictions provided for elsewhere in this Act.

(f) Short Term Loans -- The board is hereby authorized to borrow money for periods of not to exceed one year and to issue negotiable notes, payable from the revenues of the system or a part thereof, as evidence of such loans; but the making of such loans must be approved by the City Council when the total amount of such outstanding short term loans, including any loan being made, exceeds Five Hundred Thousand Dollars (\$500,000.00). Such short term notes shall bear interest at not exceeding six per centum (6%) per annum and the action of the board may be by a resolution or resolutions which may be adopted at the same meeting at which introduced and shall take effect immediately upon adoption.

(g) Personal Improvement Bonds -- The Board is hereby authorized to issue bonds of the city for additions, extensions or other permanent improvements to any one or more of the systems under the jurisdiction and control of the Board, but such bonds shall be payable exclusively from the revenues of the system or systems so improved. The issuance of such bonds may be authorized by a resolution of the Board without submitting to the City Council, electors or taxpayers of the city the question of the issuance of such bonds or the resolution authorizing the same. The provisions of this paragraph shall be effective without regard to other provisions of this charter governing bonds and are not subject to the limitations and restrictions imposed as to any other bonds authorized to be issued by this charter. The bonds shall be issued in such amount, shall mature, bear interest, be of such form and denomination, be executed, be subject to such terms of redemption with or without premium, and may be sold publicly or privately, all in the manner and method prescribed by the resolution of the Board authorizing such bonds. Such bonds shall be fully negotiable, and the bonds and the income therefrom shall be exempt from all state, county and municipal taxation except inheritance, transfer and estate taxes. The provisions of Sections 6-1622 to 6-1625, inclusive, of Tennessee Code Annotated shall be applicable with respect to the security of such bonds and the remedies of the holders of such bonds as if the provisions of said sections were herein set out in full.

(h) Other Bonds and Notes -- The authority given the City of Athens to issue bonds or notes may be exercised for the benefit of the system or a part thereof in accordance with the provisions of this charter or in accordance with other statutory authority. However, no bonds or notes payable out of the revenues of the system or a part thereof shall be issued without the consent and approval of the board, which consent and approval may be given by a resolution or resolutions of the board which may be adopted at the same meeting at which introduced and shall take effect immediately upon adoption. Where such bonds or notes are payable only out of the revenues of the system or a part thereof and are not general obligation bonds or general obligation notes of the city, the City Council and the board shall have full authority to provide for the issuance of

such bonds or notes, without submitting to electors or taxpayers the question of issuing such bonds or notes, or the ordinance or resolution authorizing the same. Bonds authorized by this subsection may be made callable.

(i) Rules and Regulations -- The board shall have authority to make and enforce all necessary and desirable rules and regulations for the efficient use, operation and management of the system.

(j) Joint Use of Poles and Other Property -- The board shall have the power to make agreements or contracts with any person, firm or public or private corporation for the joint use of poles and other property, belonging either to the system or such other person, firm or corporation or belonging jointly to both parties.

(k) Eminent Domain -- The board is hereby given the same power and authority to exercise the right of eminent domain on behalf of the system which power and authority is now possessed by, or may hereafter be given the City Council.

(l) Investment of Surplus Funds -- The board shall have power to invest its surplus funds only in securities in which the Sinking Fund Board is authorized to invest its funds.

(m) To Employ Attorney -- The board shall have the power to appoint an attorney or attorneys, to prescribe his duties and fix his compensation.

(n) Salaries -- The board shall have the power to fix the salaries of all officers and employees of the system. This power may be delegated by the board to the General Manager.

(o) Security for Service Charges -- The board shall have the right to require reasonable deposits as security for the payment of charges for service rendered by the system, or, by and with the consent of the owner of the premises served, the board may make such charges a lien on the real property, to the occupants of which such services are rendered.

(p) Promotion Expenditures -- The board shall have the power to authorize reasonable expenditures for advertising and otherwise promoting the increased use of the services of the system. [As amended by Priv. Acts 1955, ch. 269; replaced by Priv. Acts 1957, ch. 273, § 1; and amended by Priv. Acts 2004, ch. 92, § 10]

Section 8. DUTIES OF THE BOARD: Be it further enacted, That

(a) Separate Accounts for Separate Divisions of the System -- The board shall require that separate books and accounts be kept on the electric, the gas, and the water operations, so that said books and accounts will reflect the financial condition of each division to be placed in separate funds to the end that each division shall be self-sustaining.

Each of said divisions shall be operated independent of the others, except as herein otherwise provided and except insofar as the board may be of the opinion that joint operations shall be advisable and economical, in which event the expense incurred, including the compensation of said Commissioners, and

other executive and attorneys, in such joint operation, shall be prorated between the three divisions in such manner as the board determines to be equitable.

(b) Auditing -- An independent certified public accountant, not an employee of the city or the system, shall be employed by the board to make such audits and reports as the board may deem necessary. Before any independent accountant shall be employed by the board in accordance with the provisions of this paragraph, the accountant to be employed shall be approved by the City Council.

(c) Reports to City Council -- It shall be the duty of the board to furnish to the City Council, through the City Manager (or if no City Manager, the Mayor) an annual report of the operation of the system, which report shall be kept on file in the City Manager's office and open to public inspection during regular office hours.

(d) Sufficient Power, Water and Gas Rates -- The board shall charge sufficient rates respectively for electric power, water and gas to pay all obligation heretofore or hereafter incurred by the city on account of the ownership and operation respectively of the electrical division, water division, and the gas division, including all legal claims, or judgments for which the city has heretofore been, or may hereafter be liable on account of the ownership and operation of the electric division, water division or gas division, and including the payments to the city in lieu of taxes as hereinafter provided. Such obligations, whether in the form of bonds or otherwise, shall be provided for in the respective budgets of the respective electric, water and gas divisions and need not be included in the general city budget.

(e) Payments in Lieu of Taxes on Electric, Water and Gas Properties -- From the separate revenues of the respective electric, water and gas divisions, the board may pay in to the general funds of the city respective sums equal in amount to that which would be the separate respective city real and personal property taxes on the respective electric, water and gas properties within the city limits of the City of Athens, if such properties were privately owned. The separate valuation of the respective electric, water, and gas properties for determining the amounts of the respective payments required by this paragraph shall be made by the Director of Finance at the same time tax assessments are made, but the board shall have the right to appeal from the decision of the Director of Finance in the same manner as any taxpayer who considers a tax assessment excessive. Payments to the city in accordance with the provisions of this paragraph shall be made in equal monthly payments or in any manner mutually agreed upon by the governing bodies.

From the respective separate revenues of the electric, water and gas properties, the Board may pay an amount or amounts equivalent to the respective amounts that would be payable for State and County real and personal property taxes in each county in which there are electric, water or gas properties, if said properties were privately owned. The valuation thus fixed by the board shall be final. In order to assist counties in estimating their budget

requirements, the board shall fix the valuations upon which any amount or amounts to be paid by the State and County is based, not later than the time county budgets are adopted. Payments provided for in this paragraph shall be made annually before the date upon which State and County taxes become delinquent.

Payment in lieu of taxes on the electric, water or gas properties may be made to the city, county or state only so long as the governmental body to which such payment is made, does not levy a property tax upon such electric, water or gas properties.

(f) Participation in City Employees' Pension Fund -- From the revenues of the water division, from the revenues of the electric division, and from the revenues of the gas division, the board may pay into the City Employees' Pension Fund the amount that the city is required to contribute thereto by reason of participation therein of the employees of those respective divisions in the event such pension funds are hereafter established. [As amended by Priv. Acts 1957, ch. 273, § 2; and Priv. Acts 2004, ch. 92, § 11]

Section 9. GENERAL OBLIGATIONS OF CITY AND EXISTING CONTRACTS: Be it further enacted, That the board shall cause to be paid all obligations for which the city may now be or may hereafter become liable because of the ownership and operation of the system. All such obligations shall be paid as they fall due. All such obligations, including bonds and notes, which are general obligations of the city, may be paid either directly to those to whom the obligations are owed or to the Treasurer of the city for payment over to those entitled to such payments. This Act shall not in any way impair any obligations heretofore entered into by the city and shall not change or alter the obligations of any existing contracts, all of which insofar as they apply to the system, shall be binding on the board.

Section 10. CHANGE OF RATES: Be it further enacted, That the board shall make no change in the rates to be charged consumers of electric power, gas or water services unless the resolution providing for such change has been read and passed at two regular meetings not less than two weeks apart. [As amended by Priv. Acts 2007, ch. 3, § 2]

Section 11. OBLIGATIONS OF SYSTEM: Be it further enacted, That the board or its authorized representative, may sue and be sued in the name of the City of Athens and may make contracts and incur liabilities in the name of the board, but any obligation thus created shall be payable only out of the revenues of the water division if incurred solely on account of such division, or out of the revenues of the electric division if incurred solely on account of such division, or out of the revenues of the gas division if incurred solely on account of such division, or out of the revenues of the system if incurred jointly on account of the water and of the gas and of the electric division. All contracts and agreements

made by the board or its authorized representatives shall contain a provision stating the revenues from which the obligations incurred thereunder are payable, but the failure to include such a provision in any contract shall not prevent the application of the limitation on the city's liability imposed by this paragraph.

Section 12. EXPENDITURES AND CREATION OF OBLIGATIONS: Be it further enacted, That no money shall be drawn from the treasury of the system nor shall any obligation for the expenditure of money be incurred except in pursuance of appropriations made by the board. No claim against the system shall be paid unless evidenced by a voucher approved by the Superintendent of the division for which the indebtedness was incurred, or by some other employee to be designated by such superintendent. All checks drawn on the funds of the system shall be signed by the Superintendent of the Division of Accounts, or his deputy, or countersigned by some other employee to be designated by the board.

Section 13. GENERAL MANAGER: Be it further enacted, That the board shall appoint a General Manager of the system who shall have executive ability and experience sufficient to qualify him for the management of the system, who shall be responsible to the board and who shall serve at the pleasure of the board.

Section 14. SUPERINTENDENT OF DIVISIONS: Be it further enacted, That the General Manager is hereby empowered to appoint Superintendents for each of the four divisions heretofore established and directors of other staff positions as may be established. Such superintendents and directors shall have the executive ability and experience sufficient to qualify them for the management of their respective divisions. The superintendents and directors, subject to the supervision of the General Manager, shall have direct supervision and control of the work of their respective divisions. The superintendents and directors shall be immediately responsible to the General Manager and shall be removable by him at any time. The superintendents and directors, subject to the approval of the General Manager, shall appoint, promote, demote, transfer and remove all employees of their respective divisions. [As amended by Priv. Acts 1977, ch. 60, § 2]

Section 15. REMOVAL OF COMMISSIONERS: Be it further enacted, That any Commissioner may be removed for the causes and in the manner provided by the general ouster law of the State, the provisions of which are now found in Section 1877 to 1902, inclusive, of the Code of Tennessee.

The board may by an affirmative vote of four-fifths of its members, remove any Commissioner for misconduct, malfeasance, or for any other just and sufficient cause, after due trial before the board, following ten days' notice in writing of the specific charges against him.

Section 16. Be it further enacted, That it is the intent and purpose of this Act to create the board as a separate unit of city government insofar as control, management and operation of the electric power, gas and water properties are concerned, but nothing in this Act shall be construed to release or relieve the board, its officers or employees from the provisions of the city charter, except as herein provided. This Act shall be liberally construed to accomplish the purpose and intent expressed herein.

When the City Council shall act pursuant to this section on any other revenue producing utility, the board shall control and manage such utility in the same manner as the other systems. The board may combine such other utilities into a division but shall maintain separate financial records of the revenue and expenditures for each system unless otherwise directed by the City Council. [As amended by Priv. Acts 1990, ch. 213, § 13]

Section 17. Be it further enacted, That upon a majority vote of the City Council any other revenue producing utility hereafter created, including the operation of sewerage system and/or a sewerage disposal system, may be combined with and made a part of the Athens Utilities Board as herein pertaining the electric, gas and water systems.

Section 18. Be it further enacted, that the Athens Utilities Board shall prescribe by resolution the maximum expenditures which the general manager may make without specific authorization of the board and shall prescribe rules for competitive bidding. The limit for competitive bidding shall be consistent with the amount specified in Article IX, Section 2(i) entitled "Maximum Expenditures by City Manager". Any exceptions to competitive bidding established by state law shall apply to purchases by the Athens Utilities Board including, but not limited to, those exceptions set forth in section 6-56-304. When any contract is not awarded to the lowest bidder, the reason for such action shall be given in writing to the Athens Utilities Board of Directors. [As amended by Priv. Acts 1976, ch. 260, § 2; Priv. Acts 1990, ch. 213, § 7; Priv. Acts 1992, ch. 215, § 13; Priv. Acts 2001, ch. 16, § 2; and Priv. Acts 2005, ch. 23, § 3]

ARTICLE XXII

Section 1. Be it further enacted, that the City Council shall appoint a City Judge who shall be an attorney at law entitled to practice in the courts of the state and who shall serve at the will of the City Council. The City Judge shall have jurisdiction in and over all cases arising under the laws and ordinances of the City. The compensation of the City Judge shall be fixed by the City Council. In the event the City Judge shall be absent or unable to attend any session of City Court, he is empowered to designate a qualified person to

hold session of the Court in his stead; provided, however, that the person so designated shall not be a member of the City Council. [As amended by Priv. Acts 1967, ch. 390, § 1; and replaced by Priv. Acts 2004, ch. 92, § 12]

Section 2. Be it further enacted, That the City Judge shall have power and authority to impose civil penalties, costs, and forfeitures, and to punish by civil penalty for violation of city ordinances; to preserve and enforce order in his court; to enforce the collection of all such civil penalties, costs, and forfeitures imposed by him; provided that no civil penalty shall exceed five hundred dollars (\$500) or the maximum allowable under general state law, and that civil penalties may be paid in installments in such manner as may be provided by ordinance. The City Judge may remit with or without condition, civil penalties and costs imposed for violation of any ordinance or charter provision. [As amended by Priv. Acts 1967, ch. 390, § 2; Priv. Acts 1994, ch. 180, §§ 4 and 5; and replaced by Priv. Acts 2002, ch. 114, § 3]

Section 3. Be it further enacted, That any person dissatisfied with the judgment of the City Judge in any case or cases heard and determined by the City Judge, may, within ten (10) days thereafter, Sundays exclusive, appeal to the next Circuit Court of the county, upon giving bond with good and sufficient security and approved by the City Judge for the person's appearance or the faithful prosecution of the appeal, provided, however, that in prosecutions for violations of the city ordinances the bond shall not exceed five hundred dollars (\$500). [As replaced by Priv. Acts 2002, ch. 114, § 3]

Section 4. Be it further enacted, That only one warrant shall be issued for the same offense, said warrant to embrace all the parties charged with the same offense. No arrest shall be made except with a warrant duly issued, unless the offense is committed in the presence of the officer making the arrest, or unless in a case of felony. The affidavit upon which the warrant is issued shall especially state the offense charged.

Section 5. Be it further enacted, That all civil penalties imposed by the City Judge for violations of the city ordinances shall belong to and be paid into the treasury of the city. [As amended by Priv. Acts 1994, ch. 180, § 6; and replaced by Priv. Acts 2002, ch. 114, § 3]

Section 6. Be it further enacted, That the City Judge in all cases heard or determined by him for offenses against the corporate laws and ordinances shall tax in the bill of costs, the same amounts and for the same items allowed in courts of justices of the peace for similar work in state cases. He shall certify to the chief of police for collection, all civil penalties, costs, and forfeitures imposed by him for offenses against the laws and ordinances of the city. Costs in favor of any person paid a fixed salary by the city shall belong to the city and

be paid into its treasury; and it shall be the duty of the City Judge to collect and receipt of all civil penalties imposed by him, and he shall render a monthly report to the Council of all costs and civil penalties collected by him, and of all assessed and uncollected. [As amended by Priv. Acts 1994, ch. 180, § 6]

Section 7. Be it further enacted, That the City Judge shall keep or cause to be kept a court docket or dockets embodying completed detailed records of all cases handled by him.

ARTICLE XXIII

Advertisement of Public Works

Section 1. Be it further enacted, That any public work or improvement, costing more than the amount authorized by Article IX, Section 2, subsection (i) entitled "Maximum expenditures by City Manager," shall be executed by contract, except when specific work or improvements are authorized by the City Council and approved by the City Manager, to be done by the city's own departments.

But the City Manager shall have the power to reject all bids and to perform the work with the city's departments subject to the approval of the City Council and all advertisement shall contain a reservation of this right. [As amended by Priv. Acts 1990, ch. 213, § 8; Priv. Acts 1992, ch. 215, § 14; and Priv. Acts 2000, ch. 83, § 5, and replaced by Priv. Acts 2019, ch 7, § 4]

ARTICLE XXIV

Section 1. Be it further enacted, That this Act shall be construed to cover the entire field of the chartered powers, limitations and restrictions of said city.

Section 2. Be it further enacted, That if any section, sub-section, sentence, clause or phrase of this Act is for any reason found and held to be invalid or unconstitutional, that fact shall not impair the validity or constitutionality of the remaining portions of this Act, it being hereby expressly declared by the General Assembly that this Act and each section, sub-section, sentence, clause and phrase would have been enacted irrespective of any other portion thereof being declared invalid or unconstitutional. Each separate power created by any section, sub-section, sentence, clause or phrase of this Act is declared to be separable, and invalidity or unconstitutionality of any such part shall not affect any other portion of this Act.
