WHY EAT ON

AMAZING Food

Homemade pizza dough—tossed in front of you—then fired in our woodstone pizza oven; it's the best pizza in Fargo/Moorhead. Global entrees that will take your taste buds on adventures around the world. Homestyle classics that fill your tummy and warm your heart. A smoothie bar that provides a superfood experience. The list goes on and on. NDSU Dining provides delicious food, period.

Quality Ingredients and Products

NDSU Dining doesn't mess around when it comes to quality of our ingredients. For example, our chicken is NAE (raised with No Antibiotics EVER). In addition, their supplier is American Humane Certified, meaning their care and handling of animals meet the science-based welfare standards of the American Humane Association.

Facilities Designed for You

Our facilities are newly renovated and continue to be updated based on student feedback. Menus, food stations, hours and drinks are all guided by student feedback groups that meet with NDSU Dining staff members monthly.

A better question is, why would you go anywhere else?

CAMPUS:

ALLERGY FRIENDLY

NDSU Dining is at the forefront of allergy-friendly dining. Registered dietitians work with students to provide delicious and nutritionally balanced meals for any diet or nutritional goal.

West Dining Center

The West Dining Center is our designated peanut- and tree-nut-free dining center on campus. Using digital signage at each food station, every menu item is labeled to show the top 8 allergens and vegetarian dishes.

Clean Eats

Clean Eats is a food station within the West Dining Center that serves lunch and dinners using ingredients completely free from the top 8 allergens: fish, shellfish, dairy, soy, eggs, nuts, tree nuts and wheat/gluten.

Smoothie Bar: Fresh fruit. Real ingredients. The smoothies in the West Dining Center provide a superfood smoothie experience.

Edible Cookie Dough: This stuff is legendary. THUNDAR's TIP: Top it with our soft-serve ice cream for the best chocolate chip cookie dough experience of your life.

Bison Beanery Coffee Shop: Want a full-service coffee shop without the coffee shop prices? The Bison Beanery is located in the Residence Dining Center and serves all your favorites with prices included in your meal plan. I'll have a white mocha latte with whip, please.

Thanksgiving Dinner: Enjoy an early Thanksgiving with your new Bison family. A feast featuring roasted turkey, mashed potatoes, lefse, stuffing and, of course, pumpkin pie. THUNDAR's TIP: Look for other themed events all year in the Dining Centers like the Late Night Breakfast during finals week.

Soft Serve Ice Cream: It's the best soft serve you will ever have. Choose from vanilla, chocolate or twist, and make it your own with limitless toppings.

THE NDSU FOODIE EXPERIENCE

Year after year, our students report that one of the best things about living on campus is the food. So we asked a few NDSU foodies to provide some of their favorites. Here are just a few of the mouth-watering options served by NDSU Dining.

Sesame Orange Chicken: The perfect combination of tangy and spicy—students are obsessed.

Woodstone Pizza: Homemade, hand tossed and made with premium ingredients, then fired to perfection in the West Dining Center's wood stone oven. It's the best pizza in Fargo/Moorhead.

Popcorn Chicken Bowl: Taking popcorn chicken to the next level. Creamy mashed potatoes topped with crispy popcorn chicken, corn, chicken gravy and shredded cheddar cheese.

Soup: Our homemade soups have groupies, and we couldn't list just one. It's a three-way tie between chicken tortilla, cheeseburger and knoepla.

Oreo Cookie Salad: AKA Cookie Fluff, tastes like the combination of Oreo filling and heaven. Every true Bison needs to try it.
