Substitution of a course into a general education category

Use this category if you are requesting a substitution of a course that is not currently approved for an NDSU general education category.

PLEASE BE AWARE: Attention to detail is important. Appeals that fail to include the elements listed below will be denied.

Course to Substitute: _____ Gen Ed Category: _____

1. Detailed Written Argument/Explanation:

- Based on the course you would like to substitute, provide a detailed argument/explanation in your own words that relates three (3) of the course outcomes/objectives listed on the syllabus to at least three (3) of the general education category learning outcomes. The general education category learning outcomes can be found online at:
- The argument/explanation should include a discussion of assignments that relate directly to the outcomes of the course and general education category, as well as a discussion of how this course contributed to your university education and broadened your thinking on the topic.

2. Documentation (Evidence): Include documentation that supports your request.

- Examples of acceptable documentation include a course syllabus, course assignments, a letter from an adviser or instructor, or other documentation supporting the argument made in your explanation.
- **CAUTION:** Do not rely on documentation alone. Include documentation that supports the argument/explanation you have offered. Relying on documentation without a strong argument can result in denial.
- You will be notified via NDSU email if a decision cannot be rendered due to missing/incomplete documentation or if further explanation is required. For this reason, be sure your NDSU email address is listed above.

Other – Use this category to request any other exception to general education

1. Provide a detailed explanation of the exception you seek and provide evidence to support why the general education committee should consider this request.
2. Provide documentation. (See requirement #2 above for examples)
