

Commission for the Blind and Visually Impaired

Are you passionate about making a difference in people's lives through eye care?

We're looking for dedicated eye doctors to partner with CBVI Low Vision Services and Project BEST eye screening programs to help bring vision health to our community!

As a CBVI eye health partner you will:

- Become a member of NJ CBVI list of low vision panelists who provide services to consumers, statewide.
- Provide expert advice and guidance on vision care and eye health.
- Collaborate with statewide organizations and healthcare professionals to promote eye wellness.
- Perform eye screenings for people ages 2 and over.
- Make a meaningful impact by identifying vision issues early and improving access to quality eye care.

For more information, including requirements contact CBVI at (973) 648-7400 or askcbvi@dhs.nj.gov

Together, we can make a difference.
