

Effective Communication Policy

This policy and procedure shall apply to all City of Philadelphia entities*

Policy:

The Americans with Disabilities Act (ADA) ensures civil rights protections to qualified people with disabilities*. Under Title II, the City is required to ensure that their communications with people with disabilities are as effective as communications with others.

This policy upholds the commitment of the City of Philadelphia (City) to operate the policies, practices, procedures, services, buildings, and activities so that, when viewed in their entirety, they are accessible to and useable by qualified people with disabilities. The City will provide aids and services* to facilitate effective communication, upon request, to ensure that qualified individuals with disabilities are able to participate in, benefit from, and are not subject to discrimination under City programs.

Implementing Policy:
