### How does the automatic refill program work?

Go online or use the app to see and enroll eligible medications. Then, Optum Home Delivery will send your refills when it's time. They will notify you before they ship and they'll use your approved payment method on file. It's that easy.

### How does the Easy Payment Plan work?

Call the number on the back of your member ID card to place your medication order and ask for the Easy Payment Plan. We'll split the cost for that order into 3 equal monthly payments that will be charged automatically to the payment method on file. When you make the first payment, we'll ship the entire supply. Then, we'll remind you before the other payments are due.
