

Fredrick Fulkerson II

As the Senior Blind Services Coordinator at The League, Fred Fulkerson teaches independent living skills to people 55 and older who have lost their vision. He also guides them to information and resources that help allow them to remain as independent as possible in their homes and communities. Fred's educational background includes an associate degree in Sound Engineering and a bachelor's degree in Interpersonal Communication. He finds joy in helping others and taking care of his family. In his free time, Fred enjoys listening to and playing music, and listening to comedy. He is a ham radio operator who goes by the call sign KC9RAC.
