

GENERAL INSTRUCTIONS

FOR APPLICATION FOR DEPENDENCY AND INDEMNITY COMPENSATION (D.I.C.), SURVIVORS PENSION AND ACCRUED BENEFITS BY A SURVIVING SPOUSE OR CHILD (INCLUDING DEATH COMPENSATION IF APPLICABLE) VA FORM 21P-534

NOTE: Read very carefully, detach, and keep these instructions for your reference.

A. How can I contact VA if I have questions?

If you have any questions about this form, how to fill it out, or about VA benefits, contact your nearest VA regional office. You can locate the nearest regional office at <u>https://www.benefits.va.gov/benefits/offices.asp</u>. For additional information and assistance call VA at 1-800-827-1000 (Hearing Impaired TDD line is 711). You may also contact VA by Internet at <u>https://www.va.gov/contact-us</u>.

B. What is the purpose of VA Form 21P-534?

Use VA Form 21P-534 to apply for:

- VA benefits you may be entitled to receive as a surviving spouse or child of a deceased veteran, and
- any money VA owes the veteran but did not pay prior to his or her death (accrued benefits).

NOTE: If you apply for any one of these benefits, the law requires that we also consider you for the others.

C. What is the purpose of the attached SSA-24 form?

You can apply for Social Security (SS) benefits by using the SSA-24 form attached to this VA Form (see pages 12 and 13). You don't have to apply if you don't want to or have already done so. If you do want to apply, fill it out and leave it attached. We will send it to the Social Security Administration for you. They will then contact you.

D. What are dependency and indemnity compensation (D.I.C.) and Survivors Pension benefits, and how does VA decide what I will or will not receive?

1. Dependency and indemnity compensation may be payable when:

- a veteran's death occurred while on active service, or
- a veteran dies of a service-connected disability or disabilities that was/were either the principal or contributory cause of death, or
- a veteran died from a non-service connected injury or disease AND was receiving, or entitled to receive VA compensation for a service-connected disability rated totally disabling;
- For at least 10 years immediately before death; or
- For at least 5 years after the veteran's release from active duty preceding death; or
- For at least 1 year before death, if the veteran was a former prisoner of war who died after September 30, 1999.

2. Survivors Pension may be payable when:

- the death of a veteran with wartime service is not due to service, and
- income and assets are within applicable limits.

VA pays pension based on the amount of family income and assets and the number of dependent children. This is based on law. VA must include as income all sources that Federal law specifies. If there is no surviving spouse, pension may be payable on behalf of a child or children.

You must provide information about the Social Security benefits you and your dependents receive. Report the gross amount you and your dependents receive monthly before deductions are taken out. If you have a copy of your most recent Social Security award letter, please include a copy of the letter with your application.

You must tell us if you or your dependents receive or received income from sources other than Social Security. Please also report if you or your dependents own your primary residence and the value of your assets and your dependents' assets. Your assets **do** include your spouse's assets. Although your assets **do** not include your child's assets, you must tell us if your child has significant assets.

Assets means the fair market value of all property that an individual owns, including all real and personal property (excluding the value of the primary residence including the residential lot area, not to exceed 2 acres) less the amount of mortgages or other encumbrances specific to the mortgaged or encumbered property). Personal property means the value of personal effects that are in excess of being suitable and consistent with a reasonable mode of life.

Unless a claim for dependency and indemnity compensation or Survivors Pension is filed within 1 year from the date of the veteran's death, that benefit is not payable from a date earlier than the date the claim is received in the VA.

If it is determined that you are entitled to D.I.C. and death pension, we will pay you whichever benefit entitles you to the most money. Benefit rates and income limits are frequently changed, so it is not possible to keep this information current in these instructions. You can find out what the current income limitations and rates of benefits are by contacting your nearest VA regional office.

E. How do I apply for special monthly pension or special monthly D.I.C.?

VA may pay increased survivor benefits to a surviving spouse who is blind, a patient in a nursing home due to mental or physical incapacity, requires the aid of another person to perform personal functions required in everyday living, such as bathing, feeding, dressing yourself, attending to the wants of nature, adjusting prosthetic devices, or protecting yourself from the hazards of your daily environment (38 Code of Federal Regulations 3.352(a)); or who is permanently confined to his or her immediate premises because of a permanent disability. If you wish to apply for this benefit, check "Yes" for Item 31.

F. How do I complete my application?

Print all answers clearly. If an answer is "none" or "0," write that. Your answer to every question is important to help us complete your claim. If you do not know the answer, write "unknown." For additional space, use Item 49, "Remarks," or attach a separate sheet, indicating the item number to which the answers apply. Make sure you sign and date this application (Items 46A and 46B).

NOTE: If the claim is being made on behalf of a minor or incompetent person, the application form should be completed and filed by the legal guardian. If no legal guardian has been appointed, it may be completed and filed by some person acting on behalf of the minor or incompetent person.

G. What do I do when I have completed my application?

When you have completed this application mail it or take it to a VA regional office. Be sure to attach any materials that support and explain your claim. Also, make a photocopy of your application and everything that you submit to VA before mailing it. You can find the mailing address of your local VA regional office at <u>www.va.gov/directory</u>.

H. How can I assign someone to act as my representative?

A representative can be a VA accredited Veterans Service Organization or other service organization that the Secretary of Veterans Affairs recognizes or, a VA accredited attorney or claims agent. Agents and attorneys can charge you for services that you get from them only after the Board of Veteran's Appeals (BVA) gives you their final decision about your application. That means you can use an attorney during any stage of your application for benefits. However, the agent or attorney cannot charge you for services unless you are trying to resolve a dispute with VA after BVA has made a decision about your claim.

If you want to use a representative to help you with your application, contact the nearest VA office. Depending on the type of representative you want to designate, we will send you one of the following forms:

- VA Form 21-22, Appointment of a Veterans Service Organization as Claimant's Representative, or
- VA Form 21-22A, Appointment of Individual as Claimant's Representative.

You may download these forms at www.va.gov/vaforms. If you have already designated a representative, no further action is required on your part.

I. What if I believe that VA has made an error in processing or deciding my benefits?

You can ask for a personal hearing at any time during the processing of your claim. That means you can ask for the hearing while VA is processing your claim or after VA has made a decision. You should contact the nearest VA office and tell them that you want a personal hearing on your case. Someone in the local VA office will arrange a time and place for your hearing. At this hearing, you can bring witnesses. VA will record whatever you and your witnesses say during the hearing and include it in the official record. VA will furnish the hearing room and officials, and prepare a transcript of the hearing. VA cannot pay your expenses or the expenses of anyone you want to bring with you to the hearing.

FEES FOR CLAIMS:

Section 5904, Title 38, United States Code (codified in § 14.636, Title 38, Code of Federal Regulations) contains provisions regarding fees that may be charged, allowed, or paid for services provided by a VA-accredited attorney or agent in connection with a proceeding before the Department of Veterans Affairs with respect to a claim for benefits under laws administered by the Department. Generally, a VA-accredited attorney or agent may charge you a fee for assisting in seeking further review of a claim for VA benefits only after VA has issued an initial decision on the claim and the attorney or agent has complied with the applicable power-of-attorney and the fee agreement requirements.

IMPORTANT: If you are certifying that you are married for the purpose of VA benefits, your marriage must be recognized by the place where you and/or your spouse resided when you filed your claim (or later date when you became eligible for benefits) (38 U.S.C. § 103(c)). Additional guidance on VA recognized marriages is available at http://www.va.gov/opa/marriage/.

PRIVACY ACT NOTICE: The VA will not disclose information collected on this form to any source other than what has been authorized under the Privacy Act of 1974 or Title 38, Code of Federal Regulations 1.576 for routine uses (i.e., civil or criminal law enforcement, congressional communications, epidemiological or research studies, the collection of money owed to the United States, litigation in which the United States is a party or has an interest, the administration of VA programs and delivery of VA benefits, verification of identity and status, and personnel administration) as identified in the VA system of records, 58VA21/22/28 Compensation, Pension, Education, and Veteran Readiness and Employment Records - VA, published in the Federal Register. Your response is required to obtain or retain benefits. Giving us your SSN account information is mandatory. Applicants are required to provide their SSN under Title 38 USC 5101 (c) (1). The VA will not deny an individual benefits for refusing to provide his or her SSN unless the disclosure of the SSN is required by Federal Statute of law in effect prior to January 1, 1975, and still in effect. The requested information is considered relevant and necessary to determine maximum benefits under the law. The responses you submit are considered confidential (38 U.S.C. 5701). Information that you furnish may be utilized in computer matching programs with other Federal or state agencies for the purpose of determining your eligibility to receive VA benefits, as well as to collect any amount owed to the United States by virtue of your participation in any benefit program administered by the Department of Veterans Affairs.

RESPONDENT BURDEN: We need this information to determine eligibility for death benefits and accrued benefits under 38 U.S.C. 1310 through 1314, 1532 through 1543, and 5121. Title 38, United States Code, allows us to ask for this information. We estimate that you will need an average of 1 hour and 15 minutes to review the instructions, find the information and complete this form. VA cannot conduct or sponsor a collection of information unless a valid OMB control number is displayed. You are not required to respond to a collection of information if this number is not displayed. Valid OMB control numbers can be located on the OMB Internet Page at www.reginfo.gov/public/do/PRAMain. If you need additional space, please attach a separate VA Form 21-686c, Declaration of Status of Dependents, providing the requested information about each child.

IMPORTANT: Skip to Part VI if you are not claiming benefits for any children that meet the following criteria.

- under age 18, or
- at least 18 but under 23 and pursuing an approved course of education, or
- of any age if they became permanently unable to support themselves before reaching at 18

"Seriously disabled" (Item 32H) means that the child became permanently unable to support himself/herself before reaching age 18. Furnish a statement from an attending physician or other medical evidence which shows the nature and extent of the physical or mental impairment.

Note to surviving spouse: If entitlement to D.I.C. is established, a "seriously disabled" child over age 18 is entitled to receive D.I.C. benefits in his or her own right. A veteran's child who is seriously disabled and over age 18 must submit a separate VA Form 21P-534 to apply for benefits.
